

A RESOLUTION

Adopting the National Energy Policy for the Federated States of Micronesia.

1 WHEREAS, the Nation recognizes the need to develop a National
2 Energy Policy to promote effective, coordinated, resilient and
3 dynamic joint energy sectors; to secure a safe, reliable, cost-
4 effective and sustainable energy supply; to promote a efficient,
5 responsive and competitive energy sector; to create a diversified
6 energy resource base, creating a balanced energy mix, and to guide
7 the Nation in achieving an environmentally sound and efficient use
8 of energy; and

9 WHEREAS, the vision of the National Energy Policy is to
10 improve the lives and livelihood of all FSM citizens with
11 affordable, reliable and environmentally sound energy; and

12 WHEREAS, the National Energy Workgroups, in consultation with
13 state government officials of the Federated States of Micronesia,
14 finalized and adopted the final draft of the National Energy
15 Policy for the Federated States of Micronesia and now recommends
16 that it be adopted by the Congress of the Federated States of
17 Micronesia; now, therefore,

18 BE IT RESOLVED by the Seventeenth Congress of the Federated
19 States of Micronesia, Second Regular Session, 2011, that the
20 Congress hereby adopts the National Energy Policy for the
21 Federated States of Micronesia, including its annexes, as adopted

1 by the National Energy Work Groups; and

2 BE IT FURTHER RESOLVED that certified copies of this
3 Resolution be transmitted to the President of the Federated States
4 of Micronesia, the Vice-President of the Federated States of
5 Micronesia, all State Governors, the Presiding Officers of the
6 State Legislatures, the Secretary of the Department of Resources
7 and Development, and the Secretary of the Department of Justice.
