work on the important issues facing the College at this time.

The Committee held a public hearing on this nomination on September 29, 2014. Witnesses in attendance at this hearing included representatives from the College of Micronesia-FSM, the Board of Regents COM-FSM and the Office of the President. Unfortunately the nominee could not travel to this hearing on such short notice.

The Committee is in receipt of a letter of recommendation from the Governor of Kosrae to the President of COM-FSM recommending the nominee (this letter is attached to this Report). The representative from the Office of the President stated that the President encouraged the College to liaise with the State Governors on nominations to the Board of Regents, and that all stakeholders were in agreement that the nominee was very highly qualified and recommended. The representative from the Board of Regents stated that this nominee would give depth and experience while it was the Board's intention to have future nominee's that would diversify it to include woman's interests/representation, private, government and other areas.

Your committee notes that the nominee has served in the education area, performing well for over 35 years (the nominee's resume is attached to this Report). Your committee notes that the Kosrae delegation endorsed this nomination. The nominee is well known and is distinguished for his hard work and integrity. The Committee further notes that during its review it found there was no conflict of interest or other issue that would prevent the nominee from serving on the Board of Regents COM-FSM.

Upon an extensive review of the nominee and his qualifications your committee is satisfied that the nominee is fit for service as a member of the Board of Regents COM-FSM, and believes it is in the best interests of our country that the above named nominee be confirmed as soon as
